Venue: Belgian Science Policy Office -
Interfederal and International Coordination
Avenue Louise, 231
1050 Brussels

09:00 – 09:30	Welcome addresses by <ul style="list-style-type: none"> • Johan Hanssens, President of the CIS-CFS • Kurt Vandenberghe, Director - EC
09:30 – 10:30	Working session I: Europe's future R&I policy – Visions and values for Openness Introduction by : <i>Luc Soete, Tour d'Europe coordinator (10mn)</i> <i>Luk Van Langenhove, Institute for European Studies (IES-VUB) (10mn)</i> <i>Which are the vision and values guiding research and innovation for the future of Europe?</i> <i>How can the EU be more responsive to citizens' needs in a policy of Open Science, Open Innovation and Open to the World? How can the EU and national policies respond to societal challenges and the global Sustainable Development Goals?</i> Open discussion
10:30 – 11:00	Coffee Break
11:00 – 12:15	

	<p>Working session II: Focusing on Impact and Citizens' Engagement</p> <p><i>Introduction by :</i> Christopher Tucci , EU expert (10mn) Dirk Moors, Brussels Studies Institute (BSI) (10 mn)</p> <p><i>How could R&I investment ensure concrete Impact which is understandable to citizens? Could this be achieved in the spirit of the Lund Declaration? What would a mission-oriented and innovation-driven EU policy agenda imply for investment and funding instruments in R&I? How to involve citizens as co-creators and users also embracing social innovation? Is there scope for further synergies between the EU R&I framework programme and Structural Funds?</i></p> <p>Open discussion</p>
12:15 – 13:15	Lunch Break
13:15 – 14:30	<p>Working session III: Coherence between Regional, National and EU R&I policies and initiatives"</p> <p><i>Introduction by:</i> Ward Ziarko (TBC), BELSPO (10 min) Willie Donnelly, EU expert (10 mn)</p> <p><i>Authorities at any level (regional, national or European) develop their R&I strategies according to their own objectives and in line with their competencies and demands from their stakeholders. But research has shown that this can result to a negative effect on the impact of these policies if there is a lack of coherence or complementarity. How can coherence in policies from different independent authorities be increased while still respecting the expectations from their different constituencies and stakeholders?</i></p> <p>Open discussion</p>
14:30 – 15:00	<p>Concluding remarks by</p> <ul style="list-style-type: none"> • Frank Monteny, Director- General, Belgian Science Policy • Luc Soete, Tour d'Europe Coordinator
